**MOTION OF SONOMA MEDIA CORPORATION TO
DISMISS ITS COMMENTS AND COUNTERPROPOSAL**

On July 15, 2002, Sonoma Media Corporation ("Sonoma") filed a counterproposal in this proceeding proposing to add channel 274A to the community of Normangee, Texas, and to deny the original rulemaking proposal, as set forth in the Notice of Proposed Rulemaking, to add that new channel to the community of Centerville, Texas.

Although the counterproposal was advanced in good faith, subsequent analyses by Sonoma has now indicated that it is not consistent with Sonoma's overall plan for modification of the allocation table within the State of Texas, and Sonoma therefore respectfully requests that the counterproposal for Normangee as filed by Sonoma in this docket be dismissed. It is also noted here that neither Sonoma nor any of its principals has received or promised any consideration of any kind in return for this

requested dismissal and a Declaration by Roy E. Henderson,
President of Sonoma, confirming that fact, is attached hereto.

Wherefore, it is respectfully requested that this Motion be
granted and the Counterproposal filed by Sonoma in this
proceeding be dismissed.

Respectfully Submitted,

SONOMA MEDIA CORPORATION
